Dear Chamber Member:

We are excited to announce that we are gearing up for the Washington County Economic Alliance's 10th Annual Golf & Gathering on Tuesday, September 27, 2022, at the Greenville Golf & Country Club. While 2021's tournament was a big hit with beautiful weather, a great turnout of players, and excellent sponsors (such as yourselves), we know that this year will be a treat. This fun networking event allows our Chamber business community to come together to enjoy fellowship by connecting with old friends while making new acquaintances. Let's make this a hole in one together!

As you all know, this is a fundraising event for the WCEA/Chamber. Without your support, we would not be able to host events that are instrumental in our efforts to better our community. Currently, all over Washington County, construction and new businesses are being developed, increasing the quality of life we love here in the Mississippi Delta. Like last year, we are offering different sponsorship levels in hopes of gaining your support and giving you more of an opportunity to advertise your business. Don't miss the opportunity to showcase your products and services to our tournament participants during the 10th Annual Golf & Gathering. Be an EVENT sponsor (\$1500) to help tee off our Golf & Gathering tournament for a fun filled day of activities. Pardon the pun.
